Horticulture Programme

This 40 week course will contain a mix of practical and theory based subjects leading to a QQI Level 5 Major Award in Horticulture. It is designed to provide learners with the knowledge, skills and attitudes to follow a career or pursue further education in Horticulture.

All learners are supported in identifying their individual learning needs. Learners are encouraged to develop to their maximum potential at their own pace in a supported learning environment of equality and inclusion.

All participants will be supported by experienced coordinators and tutors, and will receive assistance on literacy, numeracy, IT etc. as necessary. Learners will also have access to qualified and experience CLDC Guidance Counsellor to assist in furthering their progression in education or employment.

About the course

This course is delivered over 40 weeks,

It will take place in the Clarecastle GAA, Clarecastle, Co. Clare.

This is a FULL TIME programme. Classes will run each morning from approximately 9:30am-4:30pm from Monday to Thursday 9:30pm-3:15pm Friday.

This course is offered by Clare Local Development Company in partnership with SOLAS & the Limerick Clare Education & Training Board (LCETB)

Individuals who want to gain the Major Award at QQI Level 5 in Horticulture must complete 9 QQI modules.

Certified modules include;

- Work Practice
- Plant Protection
- Plant Science
- Plant Identification & Use
- Soil Science & Growing Media
- Communications
- Plant Propagation
- Fruit & Vegetable Production
- Safety & Health at Work

Non certified modules to include:

- Enterprise Development
- Food Production
- Safe Pass,
- Manual Handling
- First Aid,
- Chemical Awareness & Knapsack Use,
- First Impressions
- Employment and Self Employment Skills

Note:

All modules offered are subject to the availability of premises and tutors. Therefore, changes in programme content may occur.

A QQI Level 5 qualification offers individuals the equivalent of an honours Leaving Certificate Qualification on completion

All Learners on entry to the programme must participate in an Induction module.
